

K-Love is a radio station that serves me as a resident in my local community by providing inspirational Christian music. The message is full of faith, hope and love - something our community, our country and the world really needs right now. I would be very disappointed if my K-Love station was displaced by an LPFM broadcaster providing other programming. That just doesn't seem right. K-Love is a listener supported station that is surviving mainly on donations - and a lot of them! There is a real need for their service and message. I am motivated to be a better person because of their message, their guidance and support to all who listen.
